MENU

Incredible India

Curious? Here you go..

Naan: charcoal-fired clay oven-baked flatbread. Served fresh & warm.

Curry: condiments; whole & ground; cooked or raw; added at different times during cooking to produce authentic sauces.

Tandoori: food is baked in charcoal-fired clay oven; exposed to live fire, cooking & smoking by food juices on charcoal.

Spice: it is generally a mixture of dried seeds, fruits, roots, barks, or herbs, mainly used for flavouring, aroma & health benefits.

Basmati Rice: longest grain aromatic variety produced in the northern part of India, savoured by elites.

Ghee: clarified butter, rich in vitamins, have anti-inflammatory properties, is healthy. Dishes with Ghee means "real taste".

Fenugreek: delicious & flavourful herb from the family of oregano. Also called 'hojas de la alholva'

Chaat: is a mixture of tantalizing flavours with contrasting crisp, crumbly & soft textures; contrasting & complementary flavours.

Garam Masala: mix powder of various exotic & natural condiments.

Chutney: is a relish, which can be of various types; tamarind, yogurt, cucumber, & mint dip.

Please inform our staff in advance if you have any food allergies.
All our dishes are flavourful, but not spicy. Do let us know if you would like your dish to be spicy; our chefs would be glad to prepare special dish of your preference.
All our dishes are good for sharing.
